

Meet our world textiles experts

Our specialist traders are a direct link between **YOU** and artisan textile makers worldwide.

We travel the globe researching, documenting and buying high quality textiles, costume and artefacts: supporting ancient traditions and creative innovation.

Across the continents, our **FAIR TRADE** businesses make a difference to the lives of our suppliers and their families.

WORLD TEXTILE DAYS 2022

Our 2022 theme:

Crossing Borders

FREE entry to exhibitions of woven, printed and embroidered textiles

Fair trade markets

Expert guest speakers

Multiple venues across England, Scotland and Wales

worldtextileday.co.uk

In 2022 we plan to return to our popular **World Textile Day** format:

- > Free entry to our exhibitions and markets
- > Talks by our world textiles experts - small charge
- > Delicious onsite refreshments

Plus at our new **World Textiles Market** in Chipping Norton, you'll discover textile treasures galore: just the shopping, without the talks.

Of course, if local restrictions or common sense say so, we'll scale back and adapt to create a COVID-safe event for you to enjoy.

Go to www.worldtextileday.co.uk for up-to-date information about a World Textile Day near you.
